maersklinelimited.com

Service from the U.S. East Coast to Northern Europe

- Near weekly U.S. flag service that connects the U.S. East Coast with Northern Europe and British Isles
- Industry's fastest direct P1 U.S. Flag service with 9 day transit time to/from Norfolk [USA] to Bremerhaven [Germany]
- New U.S. Flag service enhances existing weekly TA1 service by providing customers two weekly U.S. Flag sailings from Norfolk, Bremerhaven and Antwerp
- Maersk has maintained its position as most reliable carrier, according to Drewry Ship Reliability report, published March 2015
