Africa Inland Transportation

maersklinelimited.com

Africa Inland Transit Highlights:

- Maersk is well-positioned to provide superior service for the U.S. Military's shipping needs into Africa, from door to door
- For years, Maersk has successfully been executing service delivery to over 150 cities in Africa, moving cargo to more than 54 countries
- Maersk has participated in exercises such as Shared Accord, Bright Star, and Manda Bay

- U.S. Flag container ship, Safmarine Ngami, provides coverage to Mombasa [Kenya], Dar es Salaam [Tanzania] and Salalah [Oman]
- Partner with U.S. Agency for International Development (AID) to assist in moving humanitarian aid to Continental Africa
