Service from the U.S. East Coast to Northern Europe

- Weekly U.S. flag service that connects the U.S. East and Gulf Coasts with Northern Europe
- Industry's fastest direct P1 U.S. Flag service with 13 day transit time to/from Houston to Antwerp [Belgium] with inland service to Deurne [Netherlands]
- Competitive transit time from Norfolk [USA] to/from Antwerp with final delivery in Deurne
- Offer supplemental port call in Rotterdam [Netherlands] which can be used to service Duerne and other inland European destinations to provide more flexibility to our Military Household Goods (MHG) customers
- Weekly P2 U.S. Flag combo service to/from the British Isles to Felixstowe [United Kingdom]
- Able to service final destinations in Italy (Genoa and Naples) via Northern Europe discharge ports
- MHG customers have priority access to the world's largest stock of dry shipping containers
- Consistently rated as one of the most reliable carriers, according to Drewry Ship Reliability Report
