Service from the U.S. East Coast to Northern Europe

- Two weekly U.S. Flag services, weekly and fortnightly, connect the U.S. East and Gulf Coasts with Northern Europe
- Weekly P1 U.S. Flag service to/from the British Isles to Felixstowe [United Kingdom]
- Near weekly P1 service to/from Baltimore [USA]
- Both services make port calls in Rotterdam [Netherlands] which offers access to Duerne and other inland European destinations
- Able to service final destinations in Italy (Genoa and Naples) via Northern Europe discharge ports to afford shippers higher VISA priority
- Military Household Goods customers have priority access to the world's largest stock of dry shipping containers
