Service Northern Europe to U.S. East Coast

- Weekly U.S. flag service that connects the U.S. East and Gulf Coasts with Northern Europe
- Direct P1 U.S. Flag service with 11 day transit time from U.S. East Coast (Norfolk, VA) to Northern Europe (Rotterdam, Holland)
- Direct P1 U.S. Flag service with 15 day transit time from U.S. Gulf Coast (Houston, TX) to Northern Europe (Rotterdam, Holland)
- Continued investment in the U.S. Military: fleet of 5 Transatlantic vessels are newer, larger and offer better fuel efficiency and environmental performance
- Industry's broadest direct port coverage on both sides of the Atlantic
